Specifications

Name	FAMAVAL Off-Set 110 LH	
Code	A9658	
External dimensions	mm	1190x1100
Active reflector size	mm	1145x1050
Offset angle	°C	23
Focal length	mm	756
Material		steel
Weight	kg	6
Efficiency	%	70
Gain (at 10.7GHz)	dB	39.9
Gain (at 11.7GHz)	dB	40.8
Gain (at 12.7GHz)	dB	41.5

Steel Satellite Dish: FAMAVAL Off-Set 110 LH (110cm)

Half-power beam	°C	1.6
-----------------	----	-----

Satellite dish designed for SMATV systems (multiswitch systems/headends). High gain ensures reliable reception in very bad weather conditions or in regions with low signal levels.
